Four hundred of Aladdin's young pages carried flambeaux on each side, which together with the illumination of the Sultans palace, made it light as day.

Aladdin and his mother had an inexhaustible treasure in their lamp

Memories

Memories of High School days linger on,
No matter what we do.
Chorus, assembly of Art and the Prom,
And all we love so true.

Basket-ball season, Flambeau and all,
Summer, Winter, Springtime and fall.
Joyous times for you and me,
That were ours as naught could be.

My "Heart's in High" and "Just Ducky",
Move-up and Baccalaureate.
In memories we are most lucky,
No matter what should be our fate.

SANDY TOWNSHIP HIGH SCHOOL

DUBOIS, PENNSYLVANIA

Know then that under these stones there is hidden a treasure destined to be yours, and which will make you richer than the greatest monarch in the world.

Aladdins Lamp.

There is not your fellow in the world: the more
I know, the more I admire you.

We, the class of 1950, take great pride in dedicating this, our FLAMBEAU, to a man who has helped us to better ourselves for the problems of today, and to prepare ourselves for the problems of to-morrow.

Mr. Robinson has brought many needed improvements to Sandy through his tireless efforts and boundless enthusiasm in the furthering of the development of Sandy High School.

Even though we leave, "Jerry" will be in our memories for many years to come.

Sandy Alma Mater

To the school on the hill top,
We pledge our loyalty
For years of fun and friendship,
Dear to our memory.
Our devotion's unwavering,
Dear old Sandy High,
Praises to you shall ever
Reach the sky,
Praises to you shall ever
Reach to the sky.

Tune—"Pomp and Circumstance"

Flambeau Staff

Deep in the heart of every Sandy-ite is a love for this, our Alma Mater, which is to be found only for a friend of long standing, tried and true. When high school days are ended and time of parting comes, each one of us will feel a deep regret.

It is to soften this break that this FLAMBEAU has been published. If it may from time to time but cheer, or clear one down-cast brow, or brighten one memory, then its enchanted pages have fulfilled their end, as Aladdin, rubbing his magic lamp, achieved his end.

To whom we are obliged for this great plenty and liberality

In view of the fact that our class operated in high school under the kindly hand of these members of the school board, we thought it fitting to have them with us in our book.

During the year of our graduation there were some changes made in the membership, when Mr. Hoover, after twenty-four years service and Mr. Albert, after twenty years service left us.

The new members, whom we welcome, include Mr. Schmidt and Mr. Yoas.

I will show you some extraordinary things, which when you have seen, you will thank me for.

Senior Class History

She and Aladdin reigned to-gether for many years and left numerous and illustrious posterity.

AS FRESHMEN
'46 - '47

After entering, one of the first things we did was to elect officers and to choose our class flower, colors and motto. Our flower is the white rose; the colors are blue and gold; and the motto is, "Our aim success, our hope to win."

Many boys were on the JayVee basketball team and Maralyn Lawless was chosen as a cheerleader.

Wiley Fitzpatrick, Jean Naugle, and Erma Bogle took part in the All School Play.

OFFICERS

President	Wiley Fitzpatrick
V. President	George Gent
Secretary	Donna Rafferty
Treasurer	Alan Pifer
Class Advisor	Miss Boyd

AS SOPHOMORES
'47 - '48

Now that we are Sophomores we feel that we are "on top of the world." Wiley Fitzpatrick and Don Unsworth were placed on the Varsity basketball team. Maralyn Lawless and Margie Patchell were cheerleaders. Our class play "The Skeleton Walks," was a "spine tingling success."

OFFICERS

President	Wiley Fitzpatrick
V. President	George Gent
Secretary	Donna Rafferty
Treasurer	Alan Pifer
Reporter	Don Unsworth
Class Advisor	Mr. Johnson

AS JUNIORS
'48 - '49

At last—Juniors and upper-classmen. The first big event of the year was when we received our class rings before Thanksgiving vacation. Move-up was an event to be long remembered. Everyone enjoyed the prom immensely. Our class play "My Heart's in High" was a great success.

Athletic Council	Maralyn Lawless, George Gent
Class Advisor	Mr. Fox

AS SENIORS
'49 - '50

Now that we are seniors, we feel that we practically own the school. Our class play was a big success. Many boys tried out for basketball. Class pictures and graduation kept us quite busy but then came Thanksgiving and next, Christmas. We really enjoyed our vacations, but only to come back and study for Exams. It seemed no time at all until Easter was here. Next came Move-Up Day Exercises and Prom, and finally Graduation; something we have worked and looked forward to for a long time.

At last we are upperclassmen! We are looking forward to a lot of fun, work, and good times with everyone striving to succeed.

Soon after school started we elected Mr. Fox as our advisor, and the officers pictured above.

A committee was chosen to help select our class rings. They were Kathryn Burkett, Donna Galentine, Mary Fitzpatrick, Norman Rafferty, Jack Crosswaite, and Sheldon Spigelmyer. We received our rings December sixteenth, and were very much pleased with them.

Our class play "Backwoods Romeo" was a success, and helped us through our financial difficulties.

Plans for our Junior-Senior Prom were made and carried out by the Prom Committee. We hope that everyone had a good time.

We are now certainly looking forward to next year when we all hope to be seniors.

Sophomore Class

I will prepare at once to satisfy his request.

We returned to school September 6, for the 1949-50 season; no longer greenies but now Sophomores.

At our first class meeting we elected officers, Claud Schuckers retaining his position as president for the second consecutive year. This year Miss Retort was chosen our advisor.

Several members of our class were chosen for the Tri-Hi-Y and Hi-Y Clubs. We, too, did very well in sports this year, and hope to do as well next.

We were very proud to have six of our girls chosen as cheerleaders, five for the Junior-Varsity, and one for the Varsity.

Diary 1949 - 1950

DEAR DIARY:

Sept. 6. Back to school again after a glorious summer. Wonder what it will feel like to be a senior My, there are a lot of new faces.

Sept. 7 The freshmen girls look very handsome with their clothes inside out. But young things should be seen and not heard.

Sept. 13. John Barry Day. The freshmen are finally catching on to the routine and can find the "up" stairs and the "down" stairs.

Sept. 17. Constitution Day. And are we glad to be good old Americans.

Oct. 9. Fire Prevention Week. We wonder who will win the essay contest sponsored by the Sandy Fire Department. It would be fun if it were a senior. But I don't know about us and the English language.

Oct. 17. Beginning of Pennsylvania Week . . . a wonderful state.

Oct. 21. Senior play "Just Ducky" . . . we didn't know that we had so many budding amateurs in the class. The class prophet could sure find some leads here for the prophecy.

Oct. 31. Hallo'ween and young pranksters having fun soaping our windows last night. Bad news—report cards are ready. What a headache!

Nov. 10. No accidents reported but Clair is wondering about his car insurance. Everyone enjoyed Lt. Wall's message on the meaning of Armistice Day.

Nov. 23. Turkey feathers flying, and we are all set for a turkey rodeo.

Nov. 28. Rodeo is over, but there are pleasant memories of a happy holiday.

Dec. 1. Junior Play. Not bad, not bad! Juniors. Put you in practice for next year. Maybe your play success will guarantee a super Prom.

Dec. 2. Our Varsity played the Alumni tonight and we were proud of them. But, too, we were mighty proud of our past members, they're still good.

Dec. 4. Another so called day of rest.

Dec. 6. The Varsity and the cheer leaders and the Sandy spectators played Ridgeway tonight and are we tired but happy with success.

Dec. 13. Dear Diary: We're almost too tired to write what with Christmas coming, basketball with DuBois Dec. 9, another with Sigel Dec. 13, and more parties!

Dec. 21. The Hi-Y certainly did a beautiful job of decorating for Xmas. Oh, and I mustn't forget that Room 7 won the annual prize for room decorations. The eighth graders have good taste when picking out the best room.

The Xmas program today was lovely. The air was filled with the most beautiful sounds when the Glee Club and the Mixed Chorus sang almost better than they knew how . . . they sure know their harmony. Vacation . . . will see you next year.

Jan. 3. Back to school again with a whole new set of resolutions, most of them unpublished up to now. But, dear Diary, we'd like you to hear some of them.

1. Marna Brasseur resolves to sit at no more desks and so to tear no more skirts.
2. Mr. Robinson promises to permit whistling in all his classes, and to provide a key for all late comers.
3. The Varsity and Jay-Vees resolve to out do all others.

Diary 1949 - 1950

4. Mrs. Browne swears to permit comic books in the library.
5. Jack Calvert promises to study at least until exams are over.
6. The Seniors resolve to be the best class to graduate from Sandy.
7. Mrs. Mackin resolves to make an attempt to attend Commencement.
8. Norman and Ray C. promise to be the world's leading chefs.
9. Mrs. Proesl promises to take no more roll in her class.
10. Mr. Johnson swears to flunk only everybody.

Jan. 4. We played a return game with Ridgeway and another game with Big Run is due. We are so proud of the boys this year.

The high school is in a fog, literally as well as figuratively. We wonder if thoughts of the onspeeding exams have any thing to do with a mental fog.

Jan. 13. Sandy vs. Falls Creek, Sandy vs. Reynoldsville, Sandy vs. Summerville, Sandy here, Sandy there, Sandy everywhere and always on top.

Jan. 17. Bi-annual torture begins. Twas ever thus, I wish the fog had lifted two months ago.

Jan. 18. More exams, I don't have time to write. Have to plug.

Jan. 19. More exams. Who the dickens wrote Shakespeare? I still can't figure how they figure when the battle of 1812 was fought. But no one else in the class knew so why should I.

Jan. 20. January should be called the rainy month.

Jan. 23. Marks come out. A silence period observed as fervent prayers are sent home. A new resolve to study.

Feb. 1. More games, more fun, more losses, more won. And thus life flows gently on.

We go to press. Wish us luck.

P. S. Dear Diary:

I forgot when I signed off that there were lots of things coming up that I can't wait for and wanted you to know about, so I'll add a note.

Apr. 6. We will desert the high school for a grand spring vacation. I hope you'll be "thar Henry".

Apr. 28. The Seniors take over for the day. I wonder what kind of teachers they will make . . . maybe better than the best. Who knows? Anyone can answer that one. Worse. Anyway it will be more than fun to see our own classmates try to equal those who have taught us so diligently.

May 5. The Sophomores have a chance to show their stage ability when they put on their play. We hope it is good brothers.

May 26. The climax of the year, classmates. That is Move-Up Day and the Prom. I wonder who the Queen will be, and if the Junior Prom will be up to par. I can't help but think the latter will be, as the Juniors are right on the Ball, when it comes to fun. We well remember last year's Prom and the elegance involved.

May 28. The end . . . Commencement and Baccalaureate. We certainly are looking forward to this. Mrs. Mackin is in charge of both and we know it will be something we never will forget.

Girl's Tri-Hi-Y

She is the admiration of the whole town, for her conduct and her exemplary life.

The Tri-Hi-Y has had a full year of activity. The twenty new members were initiated, when we had a joint meeting and initiation with the Hi-Y.

At Christmas time the Hi-Y, and the Tri-Hi-Y sponsored a charity drive for the Salvation Army, which turned out most successful.

Throughout the year we attended churches of various denominations.

The year ended very happily with a very pleasant mother and daughter banquet.

The Genie then showed him the treasure, which was opened by a treasurer, where Aladdin saw large vases of different sizes, piled up to the top with money, ranged all round the chamber.

The Central Treasury consists of a treasurer from each club, each class, and a student treasurer.

It is up to the Student Treasurer to keep a record of all transactions carried on by the various organizations.

The purpose of the Central Treasury is to keep an accurate record of all the school finances.

He had learned from his magic books the secret and the value of his wonderful lamp.

The Library Club got off to a good start with quite a few new members: Marian Harbison, Mary Lou Schalk, Claude Schuckers, Jack Crosswaite and Jack Snedden. At the beginning of the year we received many new books through contribution or, purchase. Too, as members of the Junior Literary Guild, we received two new books each month.

Our hope to increase library usage was carried out by listing each pupil and the books read by each in an attempt to determine the kind of reading the average student enjoyed. The second experiment was "Magazine Data" published monthly.

The Future Homemakers of America of Sandy High had a busy year. Our club got under way when the Sophomores entertained the Freshmen at a "Get Acquainted" party. After that our meetings were held twice a month, combining pleasure and business.

We thought our Christmas party, held at Mrs. Clark's home, a great success. The party wound up our earnest endeavores in making Christmas gifts.

The year ended as far as the club was concerned, when the Freshmen sponsored a tureen luncheon as a farewell to the Sophomores.

Our assemblies this year, continued with last year's much-improved plan Group A, "Assembly Guild Players," and Group B, "Intersanctum Players," with their alternated assembly programs, discovered much new talent.

We continued with competetive programs that had proved successful and too had a student and teacher critic, selected from the opposing group.

It was our aim, throughout the year, to maintain a high standard of acting, reciting, pantomining, singing or playing, and to make each assembly more amusing, and more educational.

"Just Ducky" was presented by the Senior Class on October 20 and 21, 1949. The story began in the Maxwell living room, after Mr. Maxwell had been chosen as chairman of the citizens committee. The young daughter Betty Lou and her friend Bernadine Smith got the bright idea to send a letter to Miss Vester Blayne, editor of the love-lorn column in the local newspaper. They made the letter so pathetic that Miss Blayne came to advise Mrs. Maxwell what to do. To complicate matters even more the children pretended to be crazy when Mr. Moore, head of the citizens committee, and Mr. Marshall, newspaper reporter came to interview Mr. Maxwell.

Move Up Day Coronation

Move-Up Day

The princess was a noted beauty. She was attended by a great crowd of ladies, slaves and mutes, who walked on each side.

The annual move-up day exercises took place May twentieth, nineteen hundred and forty nine at the high school auditorium.

This was the second year for our Move-up Queen. She was selected by the student body. Her attendants are selected by the individual classes, each having a representation. During the ceremony the Queen is crowned by the Senior Class President.

On the opposite page you see the crowning of Glenda Sones by the Senior President, Robert Divins. To the left of the Queen are two of her attendants, Colleen Salada, the Senior Attendent and Mary Fitzpatrick the Sophomore attendent. To the right of the Queen is Avis Gent, the Freshman attendent, and Donna Rafferty, the Junior Attendent. The two wee lasses acting as train bearers are Mary Ann Olson and Patty Burkett, while the flower girl was Janet Brown. Young William Fitzpatrick acts the Crown Bearer.

The lower picture was taken after the Coronation of the Queen. After the program, the athletic awards were presented before the students were dismissed to follow devious paths. The Seniors and Juniors left particularly happy because, as is the custom, following the Move-up day ceremony they depart to prepare for the annual Junior-Senior Promenade, which is always preceded by a banquet, usually held at the Golden Yoke in Luthersburg.

The first prom is one never to be forgotten adventure, and we, as Juniors, entertaining the newly crowned Queen and her Senior and Junior Attendents will always remember it with pleasure.

Sire, we are all willing to exert our utmost care and industry to obey you.

Seven Juniors, five Sophomores, and three Freshmen composed the Junior Varsity squad of '49-'50. Fifteen boys worked together to win games, and that is just exactly what they did. At times the going was rough, but Coach Dick Fox always kept his boy's spirits up. The saying, "All work and no play makes Jack a dull boy", doesn't always hold true. The boys worked hard with little time for rest and play, learned new tricks, new ways to do old things, yet never became dull. The new boys never said "Unch", even though th going was rough to keep up with the veterans of the squad.

Congratulations. You did a fine job, with 11 wins - 10 losses.

But not withstanding the crowd of people was great.

Two months before basketball season started and during the entire season, six girls, five Sophomores and one Freshman, met in the school during lunch time and after school on their own time to practice cheers.

The girls worked hard with their Sophomore Captain, Rita Kelly, to make the squad the best that S. H. S. ever had or will have.

Many times you could hear them practicing after school, making up new cheers, devising new motions or changing old cheers.

Congratulations Rita Kelly, Joan Boring, Nonie Lawless, Avis Gent, Marian Lee Timlin and Gail Carlson. You kept the boys pepped up no matter how hard the going was, or how low the score. You did a fine job.

Sandy High School Varsity Basketball

Sandy High School Varsity basketball season came to a close with a record of 16 victories and 7 defeats. The league record was 8 wins and 4 losses for third place.

Our congratulations go to Wiley Fitzpatrick and Ronald Wilson, who were chosen as league "All Stars." Wiley chosen, as the others, through an election by the coaches and sports writers of the district has the honor of being chosen unanimously with fifty votes out of fifty voters in the "B" league.

Wiley came through with a standing of 155 points, which was rated second highest in the League.

Prospects for next year are promising in as much that Mr. McIntire has seven boys returning. He will lose five due to graduation: namely, Ronald Wilson, David Brown, Wiley Fitzpatrick, Robert Kitchen, and Duane Reasinger. Several good players from the Junior Varsity will take their place.

OUR COACH—MR. McINTIRE

Mr. McIntire has been the coach at Sandy High for the last two years. In his first year he brought the "B" Championship back to Sandy. Without our coach our successful year would not have been. Through his tireless effort he has had a better than average season. Good luck, next year, Mr. McIntire.

OUR MANAGERS

Marvin Kessler and Sheldon Spigelmyer

"Louie" took over as assistant manager at the first of the year. He is a senior with a sense of humor. His jokes around the shower room after a game were well laughed at. He was always pepping up the boys, handing tape, or passing out the uniforms.

The Varsity Boys

"Skip" has been our manager for the past two years and will be back next year to give out equipment at the beginning of the year. It's not an easy job, but "Skip" makes it look easy. He not only handed out material, but packed it away with "Louie's" help.

WILEY FITZPATRICK 6'3" Center, "Toot" is one of the tallest boys of the squad. He plays center on the first team varsity. He is known for his rebounding ability and fine shooting. "Toot" was the second highest scorer of the "B" League boys. He has been chosen for the last 3 consecutive times for the first team "All Stars".

RONALD WILSON 5'11", guard, "Ralston" plays guard on the first team varsity. He is known on the floor for his outstanding defensive work. This is "Ralston's" first year on the varsity, and his last year in school. He will be greatly missed, with the other 5 seniors on the varsity.

ROBERT PATCHELL 5' 10", forward, "Bob" is one of our Junior members on the first team varsity. This is "Bob's" second year on the varsity, and he has shown great improvement. Bob plays forward and he is known for his defensive rebounding. He will be back next year to add strength to the team.

JACK CALVERT 5' 10", Guard on offense and forward on defense. He is known for his defensive work and his fine ability to make long shots. Last year he was handicapped because of his size, but this year his height has added honor to the team. Since Jack is only a junior he will be a great prospect for next years team.

ROBERT WILSON 5' 8½", forward, "Bob" is one of the smallest boys on the squad this year. He plays forward on the first team varsity. He is known for his good sportsmanship on the floor. This is his first year on the varsity and has two years to become a future star.

DAVID BROWN 6' 2", center or forward, "Brownie" is one of the 5 seniors on the varsity. He is another of our tall boys, and played forward as well as center on the second team. His height added strength to the team.

ROBERT KITCHEN 5' 10", guard, "Kitch" has played on the varsity his last two years in high school. We'll not only miss his grin, but his reliability as substitute for the guard position. His sportsmanship on the floor was well known.

DUANE REASINGER 6', forward, This was Duane's last year at Sandy and his first year on the Varsity. Although he didn't play much, he gave everything he had when he got into the game. He was outstanding on defensive work, and one handed push shots.

LAMAR DAUGHERTY 5' 9", guard, "Doc" is one of the five sophomores, who made Varsity this year. He played guard, and makes a good left hand shot. We think "Doc" will be good starting material next year.

RONALD FRANO 5' 9", guard, "Ron" another member of the sophomore Class starred for the Jay-Vees in the '49 season, and became a member of the varsity in the '50 season. He's well known for his fine foul shooting. We're expecting great things from him.

JOE VIDA 6' 2", center, forward, "Vida" is one of our sophomores with height. He played forward as well as center on the second team varsity. Joe really covers the floor in more ways than one. He will be back next year, and it could be that he'll be one of our stars.

GLENN DIVINS 5' 8", forward, "Glenn", an all around player, represents the sophomores again. It means he has two more years to gain more experience to try to equal the reputation of brother "Bead". He is a very good shot.

Touch Football

Row II. R. Wilson, Joe Kurtz, Joe Vida, L. Smilet, L. Dougherty.

Touch football was one of the most interesting parts of Intramurals Sports this season. Many boys participated in the game making it "Hot" Competition for the championship.

The first game, the Sophomores beat the Freshmen 8 to 1. The second game the Juniors and Seniors battled to a nothing, nothing tie.

A second game was played and it too ended in a tie. A third game ended scoreless and the winner was determined by the most first downs registered by the teams.

The Juniors finished the victors by one first down.

In the play off for the championship the Sophomores and Juniors battled and the Sophomores emerged the winners with a touch back, which made them the champions with the final score of 2 to 0.

Intramural Mushball

THE CHAMPIONS

Row I—C. McDivitt, C. Beer, S. Spigelmyer, D. Nelson.

Row II—M. Campbell, J. Harvey, J. Calvert, F. Murray.

Row III—Mr. Fox, N. Rafferty, H. Smith.

The ceremonies were at last brought to a conclusion.

The Mushball Tournament came in with a bang. Many boys participated in the struggle to win the championship. The teams were divided into groups. The freshman class, having a large enrollment of boys, had three teams representing them, Teams A, B, and C. The Sophomores had enough boys for two teams, Teams A and B, as did the Juniors. While the Seniors with the smallest enrollment had but one team, Team A.

The eight teams battled it out for championship and the schedule looked like this:

FIRST ROUND

Freshmen C	lost to	Sophomore A	14 - 7
Freshmen B	lost to	Junior A	11 - 1
Junior B	lost to	Seniors	14 - 6
Freshmen A	lost to	Sophomore B	20 - 2

SECOND ROUND

Sophomore A	lost to	Junior A	4 - 2
Seniors	lost to	Sophomore B	4 - 3

FINALS

Junior B took the championship by defeating the Sophomore B Team, with a score of 8 to 7, in a thrilling game, that was close all the way through. The Juniors scored the winning run in the last inning with two outs.

In all the games a great deal of interest and sportsmanship was shown by both the players and the spectators.

Standing: D. Stakukinas, W. Fitzpatrick, G. Platt, J. Vida, J. Deasey, G. Divins, F. Murray.
Kneeling: H. Kessler, J. Kurtz, J. Naugle, J. Eisman, R. Kitchen, C. Beer, R. Divins, E. Kranitz, J. Harvey, R. Wilson.

The innumerable concourse of people through which they passed made the air echo with their acclamations.

Girl's Soft Ball

Standing:—R. Kelly, J. Boring, A. Gent, S. Naugle.

Sitting—L. Kougher, G. Clontz, J. Kitchen.

Kneeling—N. Walters, H. A. Good, M. Sterling.

Sports received a feminine touch during the softball season this year. In the past the girls have been content to watch the boys participate in various sports. The time came when the girls decided to take active part. Due to the convenience of the ball diamond without any expense to the school, the girls formed softball teams. Each class having their own team respectively, freshmen, sophomore, junior and senior.

Schedules being set up so the games were played at noon, made it convenient for the students to observe such softball playing as they had never seen before.

With little time to practice the team work shown was outstanding. The spectators observed these games with much interest and enjoyment.

The enthusiasm of the players was the highlight of the season.

The teams were chosen by the captains who were appointed by Mr. Fox.

The strongest, most efficient, cooperative team was the sophomore team which ended the season victorious by defeating the freshmen 14-2 and the seniors 10-9.

The captain of the team was Natasha Walters.
